Ellen,
 Four more days
 and the class of '61 will end
 of the past. You are really going
 to have to try to keep up with it.
 Really you all should have one
 of those one minute of it.
 You enjoyed your friendship
 Kidding- Really since one basketball game.
 Just as good. You really have enjoyed your friendship
 Ellen. Don't miss some of the same since one basketball game.
 I'll never forget some of the same since one basketball game.
 You should still remember the same since one basketball game.
 The school is a wonderful gal. Don't ever forget you deserve the best.
 You are a wonderful gal. Don't ever forget you deserve the best.
 Be Good and I wish you only the best.
 Always -
 Nan.

foreword . . .

The "School on the Hill" will remain
 a lasting memory for the many students
 who pass through its doorways.

During the years we spend in our high school,
 many occasions bring us special happiness.

This year we have endeavored to present the Spur
 as a pictorial memorandum of the past year
 at El Paso High School—classes, clubs, customs,
 and those special moments that will fix
 themselves in our library of recollection.

MISS LUCIA HUTCHINS

Best wishes
to Ellen + good
luck on next year's
annual.

The Education of Henry Adams

The 1961 Spur is dedicated to one who has devoted a great part of her life to the guidance of El Paso High Tigers. Her understanding manner, her keen insight, her appreciation of those things which are good and true, and her ability to inspire others to search for the best within themselves have been a stepping stone to success for many of her students.

It is with sincere appreciation that we thank you, Miss Lucia Hutchins, for your attitude that is symbolic of the true Tiger Spirit!

Ellen:

que sigas tan dulce y amigable
como fuiste con mis amigos.
Te deseo toda clase de
éxito en el futuro, y
mucho placer y diversión el año
entrante. Que Dios te bendiga
y buena suerte.

Dear Ellen,

5/16/61

I have always considered
you a good friend of mine. You're
really a sweet & lovely girl &
I know you have many friends.
I have really enjoyed this year
with you & the gang & I hope,
sincerely, that we can always
be the best of friends. Here's
wishing you all the luck in
the world.

Love ya,
Maite
'62'

Ellen,

It sure has been a great year this past
nine months.

I can remember way back in grade school
when we were little brats how good of buddies
we were. You still are a brat (only joking). I remember
about a month or two ago you told me that you
used to be scared of me in grade school, but now
you are not afraid of me Bay! I think that is an
accomplishment.

Remember all the parties (B.A. parties) we've
had this year + they sure have been blasts. I just
think this summer in Cloudcroft we can
really have fun. We can even go watch the beach.

Sometimes the B.A.'s get a little out of
order but you have to expect that once in
a while, so don't get mad at the B.A.'s because
they are only natural.

It sure has been great knowing you this
year Ellen + I'm sure we will continue to
be good friends + even better friends in
the future

From your B.A. buddy to my
B.A. ett buddy

Hi Ellan,

Gosh, just think - next year
we'll be Seniors! What a shock.
You'll have a lot of work
on your hands next year with
the Spur. I know you'll make
it the best yet.

Ellan, you'd better always
keep that bubbly personality
because if you don't I'll
have to do some-
thing drastic! (I'm
really too small
to do much of
anything.)

Lots of Luck,
Barbara

P.S. I hope we become
really good friends
next year.

Barbara

Hi cuz - Ellen you know me all but the same
thing in spurs, but you already know that I
think you are really wonderful I treasure your
friendship and sincerely hope that nothing
ever happens to change it. We have had
wonderful times together -- May they always
continue, let's remain best
of friends and graduate in the best class ever!

OFFICE OF PRINCIPAL

El Paso High School Students
El Paso, Texas

Dear Students:

It is appropriate that the 1961 "Spur" has elected to feature Special School Activities. While it is true that the regular and fundamental school subjects should still constitute most of our school program, we are impressed by the evident importance of special activities to the high school student of today. A review of the contents of this year's "Spur" will testify to the truth of this position.

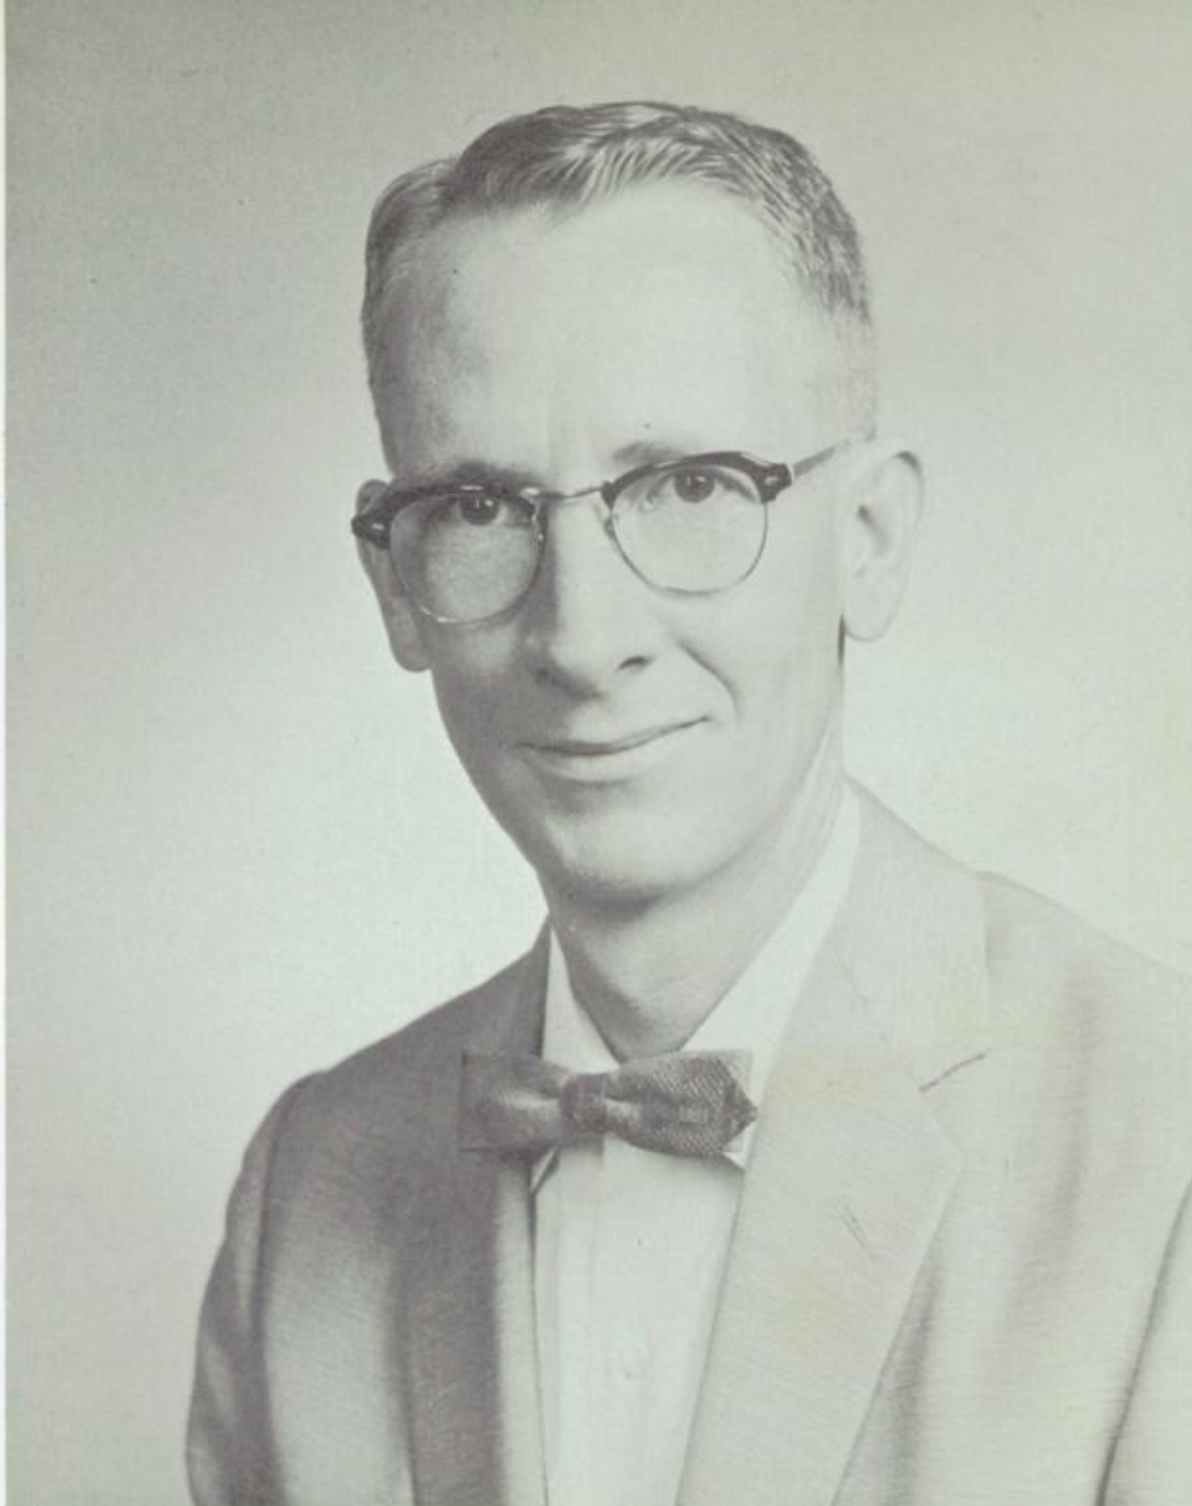

El Paso High School recognizes the values of the extra curricular activities by sponsoring the Student Council, clubs, music groups, athletic groups, the school newspaper, annuals, and many other worthy student enterprises. In El Paso High School all such activities are well supported by the students.

We believe that our students gain many educational benefits from participation in the available activities of their choice. From these they should develop incentive and skill in such important phases of living as participation in community life, use of leisure time, and affiliation with cultural and recreational programs in community life. We are all thankful to the "Spur" for this splendid record of a good school life as reflected in our "Special Activities".

Best Wishes to all,

H. C. Morehead,
Principal

Dear Sita,
Well this certainly has been a year of utter confusion
for the both of us. hasn't it! At least we're in it to-
gether. Ellenita! I'll tell you one thing
we're gonna make the annual of 1962
the best yearbook E.P.H.S. has ever
seen & ever will see 'cause I tell
you I'm more determined now than
I ever have been. You know,

Ellen, it's kinda funny the
way we've tried for the
same things together
and lost them to-
gether! I'm sure
Dad has a reason
for this act. But
enough of that.
Maybe it will
pay off in
the end.

Ellen,
It's kinda hard
to express your
feelings toward
a person as close as you are to
me. We fight like sisters & act
like sisters and understand each
other like sisters. (I'm beginning
to think there is something fishy -
this situation) But in all seriousness
we have many memories to cherish, many things
we've done together! Cloudscopt! (J.G.) and
all the other crazy

things we've done together. We still have another
year of this crazy life, Ellen, so let's not let a
thing such as defeat spoil anything for us!

you are truly a wonderful friend, Ellen, and
 don't think I'll ever forget you for it. I hope
 our friendship continues throughout life. You
 have stood by me through many heartbreaking
 moments. I'll

STUDENT LIFE

always be there when you need me. Don't
 ever hesitate to come to me Ellen. We'll
 make this summer and next year a

STUDENT LIFE

BLAST! so don't worry. I'll close with an
 ever-lasting prayer of happiness for you.

Dear Ellen-

As another year comes to a close, I look back at what has ever happened to me in my lifetime. The first thing that I think of is that poor chocolate cake and your poor mother! But, the cake is so small in comparison to the many other things that have gone into our friendship. There are so many talks that mine had that have helped me, I can't begin to thank you.

I regret that we haven't had any classes together this year. I hope we do next year.

Let me wish you the very best of luck.

Dear Ellen,

I can't believe that it's just a matter of days until we are the seniors. It doesn't seem quite possible. Ellen we've worked together in Regis and this year we've attempted becoming closer again. I know that next year it will be even harder with all the activities but, Ellenita, whether we have the chance to be together or not I still feel so very very near. I will never forget that note you wrote me that time. It really meant the world to me. You are a very wonderful person whom I dearly love. I hope that nothing will ever come between us. It is going to be hard next semester with soo many people depending on me but, Ellen I hope you will understand if I have to leave quite the time I would like to have for you. I will make an honest effort, & I hope you will too, to hold what we have between us as sacred. (We've

always had sympathy for one another) One more thought & I'll close - May God bless you & keep you the wonderful girl you are now. If you ever need to talk to someone, I'm never too busy for that. Yours forever - Sandra

Recipient of Ralph Marmolejo Award

BOBBY MADDOX

This football award is presented to one outstanding football player each year in memory of Mr. Ralph Marmolejo. Mr. Marmolejo was a detective with the city of El Paso, and killed in the line of duty. In 1940, he was a star football player at El Paso High School. To commemorate Mr. Marmolejo's highly admired traits, his teammates have made this an annual award, dedicated to his memory.

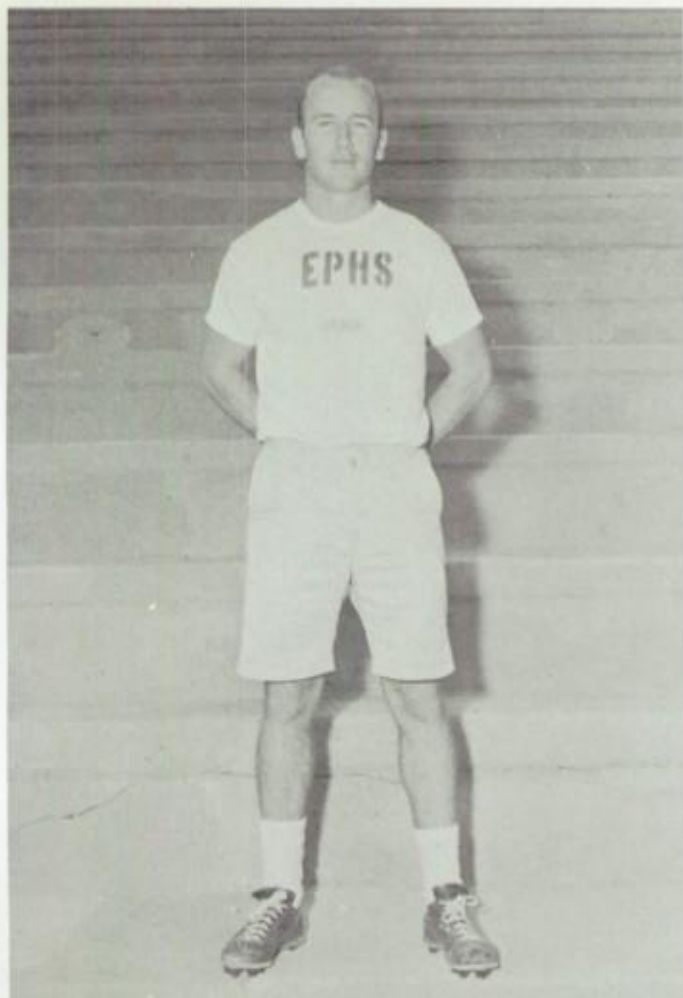

Bobby Maddox, selected as the recipient of the Ralph Marmolejo award this year, is the football player most nearly exemplifying the outstanding traits possessed by Ralph Marmolejo. These are the qualities upon which Bobby was judged by his teammates and coaches, and selected to be the recipient of this award: He is a team player above all—always putting the good of the team and the other players above his own personal desires. His hustle and spirit are an inspiration to all who knew him.

He is a magnificent competitor. The will to win must be a dominant part of his character. This is not a desire "to win at all cost"; rather it is the determination always to do his best according to the rules and to come out on top in any contest.

His personal and moral code is of the highest quality. He is a person respected by his friends and teammates, feared by his opponents, trusted by his coaches and supervisors.

His athletic abilities are exceptional; perhaps he is not the finest player or one gifted with the most natural ability; but he is one who would be selected first as a teammate.

Bobby's selection as one of the football captains for the team this year is an example of his leadership among his teammates. A great spirit and the deep desire to win were visible in all his actions on the field. Bobby is truly deserving of this high honor.

ROTC INSTRUCTORS

The ROTC unit was established at El Paso High School in 1920. This was the first unit established in Texas.

For eight and one half years El Paso High was the only school in which the ROTC unit was established. In 1928, ROTC was established in Stephen F. Austin High School.

Realizing the growing value and importance of the Corps of Cadets, the Board of Education, in 1933, granted the Corps a Charter.

The ROTC Department at El Paso High School is under the supervision of Sgt. Starkes and Sgt. Woodruff. Mrs. Squires is the sponsor of the girls ROTC Sponsor Corps, which is an honorary organization. In May, Junior girls submit pictures and lists of activities. After a week, all ROTC cadets vote on 34 girls who become Sponsors in their Senior year. The girls vote for their colonel, while the remaining Sponsors are ranked according to ability.

The cadet officers are selected in May. There is OCS (Officers Candidate School) which runs for four weeks. During this period, the candidates take tests. The officers are then chosen and ranked according to test scores, drill activities and ability.

Dear Ellen, (B.A. SPONSER)

It sure has been fun getting to know you this year, and I think I know you real well I hope so any way. Just think last summer I hardly knew you at all, you are quite a gal. I am sure glad that you are the B.A.'s sponsor, because I think you understand us better than

the rest of the B.A. Cth. Remember all the parties the B.A.'s and the B.A.'s and the Roadrunners have thrown, this year, they were really kicks weren't they, even though you gave out, on all but one of them. You really have a job keeping all the B.A.'s in line, but it is

a great job, (you better think so). This summer the B.A.'s will have to come up to Cloudcroft to see you, I bet we can really have a blast up there. Best of luck in the future and may God bless you always. See you this summer OK? OK!
P.S. Stay as sweet and goodlooking as you are now for the B.A.'s OK? OK!

Love (B.A.)

Dear Ellen,

It has been great knowing you for these past 5 years even if we have had our ups & downs.

You have a personality that won't stop and I hope it stays with **CLUBS** you throughout your life.

Although we haven't been very close this year maybe we can get together some this summer **CLUBS** much and next year to become better friends.

I want to wish you the best in all you do and May God be with you always. **CLUBS**

Laverne,
Frankie

FUTURE HOMEMAKERS OF AMERICA

Mrs. Ione Stroud, pictured above, has been head of the Homemaking Department and sponsor for the Future Homemakers Chapter for the past two years. Here she is shown giving instruction in the field of clothing to Candi Laymon.

The Future Homemakers is an incorporated, non-profit youth organization for junior and senior high schools throughout the nation, its territories and Japan. The total number of members is 485,070 in the nation with 55,845 belonging to Texas.

Meetings on all levels are held to familiarize young homemakers with the F. H. A. purposes, projects, and homemaking program. The girls learn to develop their potential abilities, understand their family members, emphasize home membership, encourage democracy in the home, promote creative leadership, provide wholesome recreation, interpret the values of homemaking to others, and promote international good will.

Becky Prather has worked for five years with the Future Homemakers and Homemaking Program on the chapter, district, area, state and national levels. She climaxed her work this year by holding the office of Texas 2nd Vice President; attending her 2nd national convention in Washington, D. C.; and receiving the Texas State Homemaker Degree, and State Fair of Texas Honor Award.

Lorann Mays won first place in the Holiday Belle Contest. The Holiday she portrayed was "Arbor Day."

Our first place winner watches as Robert Prather makes a toast to Arbor Day.

Who's this ugly girl?!

HOLIDAY BELLE WINNERS

The Holiday Belle Contest, which is held each year, is sponsored by the Distributive Education Department. Any club in the school is entitled to participate in this contest. The five clubs that submit the best original skits present their skit to the Student Body. The judges then select a first, second, and third place winner from the five skits. The skits must depict a holiday.

Kika Gritti, our Foreign Student from Italy, was the second place winner in this contest. She chose "Mothers Day" as the theme for her skit.

Ginger Bradford placed third with her skit about Halloween. Ginger was one of the prettiest witches Halloween has ever known.

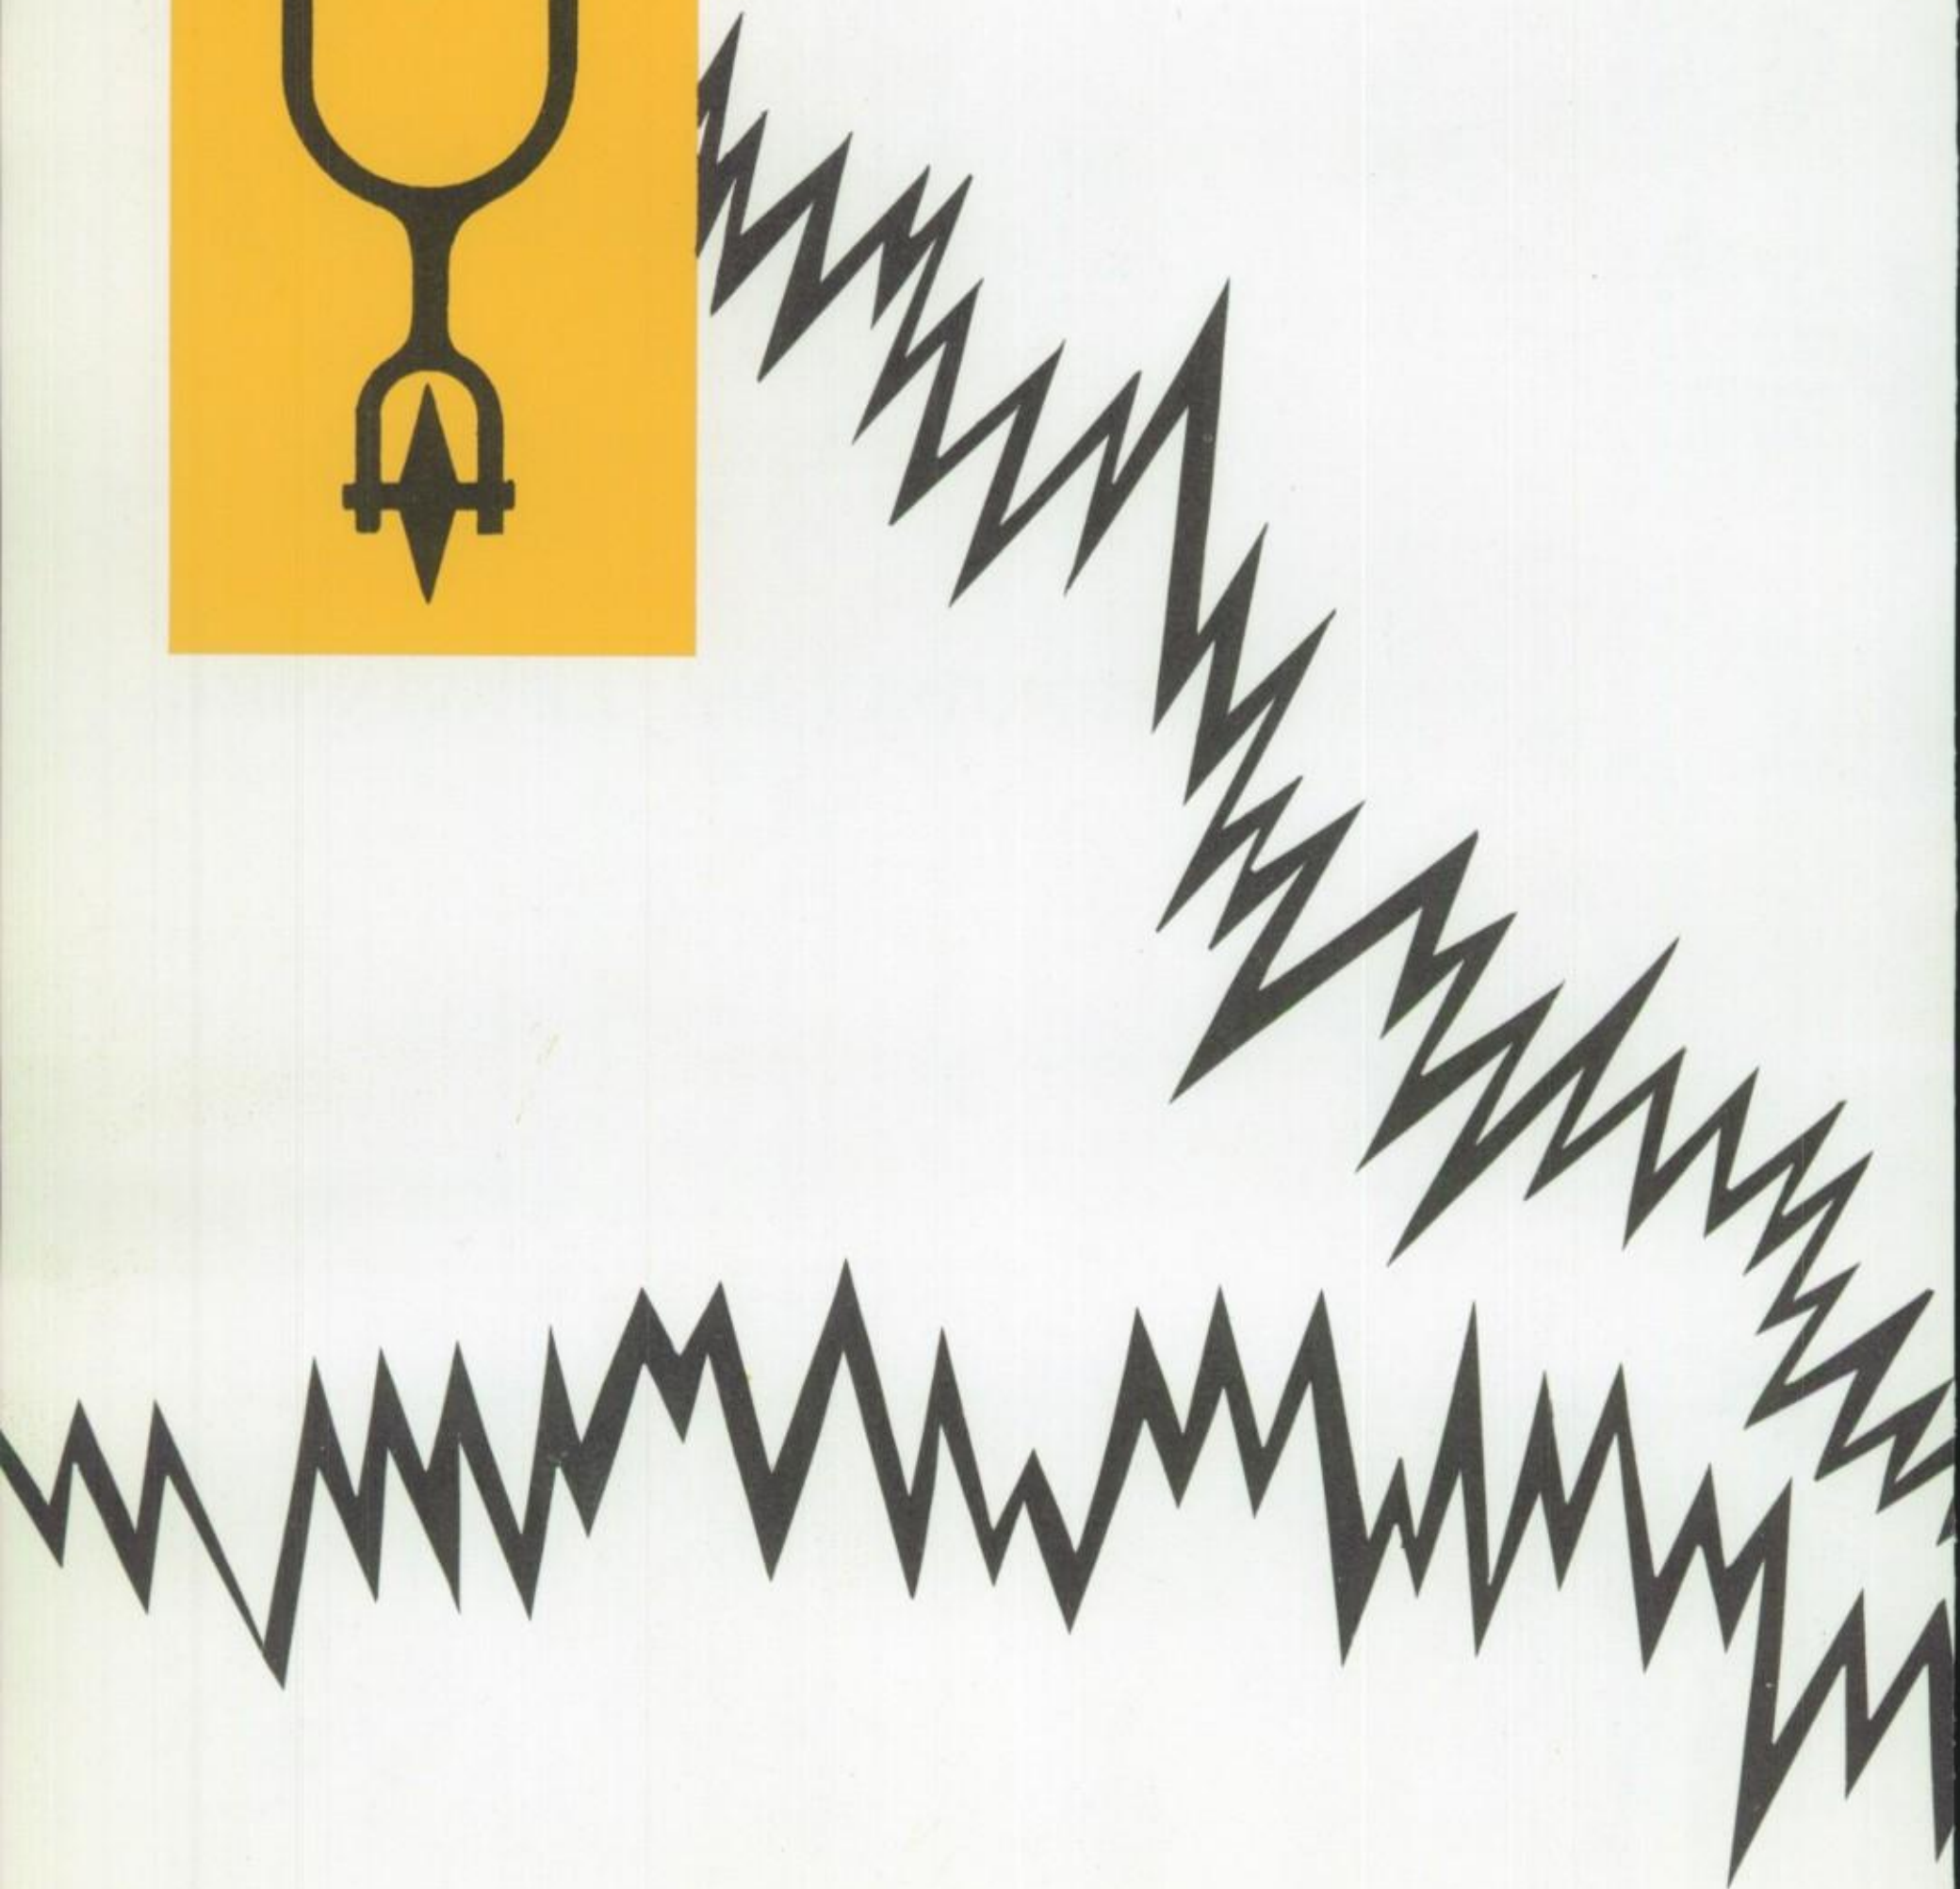

Here's Ginger brewing a pot full of magic for Halloween—magic enough to win her a well deserved third place.

SENIORS

Ellen,
 Well here we are
 Spring Sports again.
 There are a lot of things I
 could say to you Ellen, but I
 don't know what will happen
 or I'll just keep them
 to myself and say them to you
 when which I hope will be
 soon. We have had fun
 together this first year and
 will never, never forget them.
 I feel silly restraining my-
 self from saying what I really
 want to say. There is nothing
 I could tell you that I
 haven't told you before at
 some time or another, but I
 just feel like saying them
 again and letting you know
 how much I mean them. I still
 feel and always will like I did
 the year ago when I signed your
 pop. Sometime when you have
 time look over it. It will bring
 back some memories and remind
 you that I still love you.
 Always,
 David (BiBi, Bip, Dante) Briones

Practicing in Journalism, Kika hopes to become a journalist.

Maria Gratzia, known to EPHS as Kika Gritti, came to the U.S.A. through the American Field Service (A.F.S.), a nonprofit organization with headquarters in New York City whose founder and leader is a Mr. Gollatte. It is one of many similar organizations, whose object is to promote world understanding through exchanging students of foreign countries with those of the United States.

There are exchange programs with Europe, South America, and the Far and Middle East.

Kika entered into competition with other students at her school in Italy. She was required to write themes, take tests, and prove to be an all around person, for only the most intelligent students are sent as Foreign Exchange Students.

El Paso High School had sent the money to A.F.S., which paid for Kika's voyage from Rotterdam on the M/S Seven Seas, a liner chartered by the organization. After her year at El Paso High she will go on a tour of the United States and then return home. We'll all be sad to see Kika leave.

Mr. Saunders often helps Kika with her daily activities at El Paso High.

She reads all the latest news in The Tatler.

Kika is interested in American politics and looks forward to President Kennedy's administration.

Joining with the other Tigers, Kika supports her team.

Mrs. Callery and one of her students checking on one of the deadlines for the Spur.

Mrs. Sunshine Callery, Spur and Tatler Sponsor.

On behalf of the 1961 Spur Staff, we would like to thank the following who contributed so much to this year's annual:

Mr. Lyman Dutton, of Guynes Printing Co., who has assisted us in making this year's Spur the best yet.

Mrs. Jennings of the Popular Dry Goods Photograph Studio, Mr. Gonzalez of Achilles Photo Studio, Canales Studio and Andow Studio for the excellent pictures they took for us.

The El Paso Times and Herald-Post for sports pictures.

The El Paso businessmen who advertised in the 1961 Spur.

Mrs. Mischen and Miss Armes of the El Paso High English Department for assisting us with our writeups for some pictures.

We also want to thank our principal, Mr. H. C. Morehead, and our assistant principal, Mr. J. H. Estes, the faculty, and the students of El Paso High. Without their help and understanding, this task would have been an impossible one.

Our special thanks go to Bob Sheppard, a D. E. student in our school, who has been responsible for many of the pictures in this year's annual.

We would like to apologize to the newly elected members of the Junior National Honor Society for not including their names in the Index. The deadline arrived before the selection of the members.

*Ellen Honey
You have
helped to
make this
a wonderful
year.
Thank you
& good luck
to you in
your 1st
year

Hi Ellen.

Well it doesn't seem like its time to be signing Spurs again. It seems just like yesterday that I was signing your last years Spur. Anyway you said no (---) so there won't be any. I promise. When I think of the many things that have happened this year it makes me kinda sad. I know it's more my fault than yours and I have tried to swallow my pride but it never seems to work. Even my mom still she asks

Ellen - let's see if we can mend our warp this summer. It would really be sharp if you could come to Eagle Creek with me again. We sure had fun that summer. Think about it Ellen. Q.S. Do not (---) Jude

night after you had "walked into a door downtown and cut your lip." you are welcome at my house anytime - all you have to do is say when and I will come for you.

Well Chickie, I have been serious ^{long} enough. I know the way it sounds like mine is going to be I will have to tear these two pages out and start all over with a few double meaning phrases like you put in mine. As Nanner put - you are always so full of energy you just leave everyone all pepped out after you are through. Remember that the next time you are getting a little and try to control all that vivacious energy of yours. It would be much better not only for you but

Dear Ellen-

Well now that the time has come - I really don't know how to start. More than anything - I don't want of this to sound like everything else in your Spur.

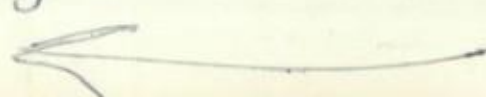

You have been a wonderful friend, Ellen, and I can't tell you how much I really appreciate it. In so many ways it has been a long year and we have had far too many quarrels. But thank goodness we have always managed to patch them up and come out better friends in the end.

As I think back on all the good times we have had the ones that come to my mind first are those two weeks in Cloudcroft. I can't tell you how much fun I had and how I looking forward to it this year.

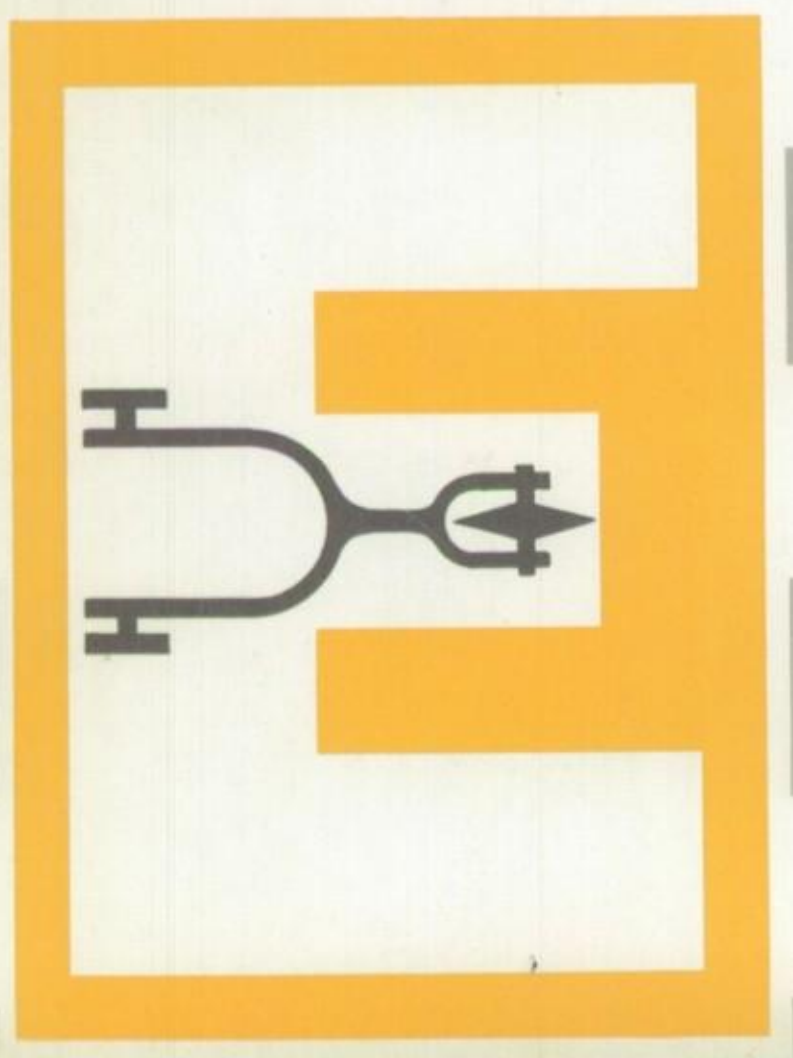

Then there were those nights that we hauled with your Dante + friend. Good times - all of them!!!

One thing that I have really admired about you Kaku is your ability to cheer me up whenever I am feeling low. (Maybe it is just because I am so good natured) Remember the night after my Dante told me where to get off? After I left your house - I was my same old wonderful self again.

But seriously - you have been a wonderful friend and I want you to remember always what I told you that

Ellen,

I sure wish we sat closer
in Chemistry, so we could
have gotten to know each
other better. Maybe we get to
know each other better some day.

Larry
